

CORSTORPHINE TENNIS CLUB

PHOTOGRAPHY CONSENT FORM

Corstorphine Tennis Club takes its child protection responsibilities very seriously. It always aims to ensure that a common sense and balanced approach is struck in protecting young people but in appropriately publicising the fun events that take place within our club or other responsible clubs we sometimes work with. Such events include competitions, coaching and matches. Typically such images are posted in the clubhouse, on our web site and may be used in newsletters.

I give my permission for to be photographed under such circumstances and any such images used as deemed acceptable and appropriate by Corstorphine Tennis Club
